ABOUT SUBLIME

On the Northeast coast of the Dominican Republic lies the dramatic lush of green tropical, jungle clad hills and fine-sand beaches of the Samaná Peninsula.

Tucked away in this unspoiled tropical paradise lies Sublime Samana, a modern yet elegant boutique hotel, member of Small Luxury Hotels of the World.

Each contemporary-designed suite features floor-to-ceiling windows, spacious bathrooms, a private balcony or terrace, fully equipped kitchen, Caribbean-inspired décor and views of the main pool or ocean. With a total of 65 rooms within the hotel units, Sublime Samana can accommodate up to 130 guests.

In-room amenities also satellite TV with DVD/CD player, complimentary Wi-Fi, plush linens, welcome drink, fresh fruit platter upon arrival, bottled mineral water in rooms and an in-room safe. Bathrooms feature standing showers, The White Company amenities and generous closets.

SPA Coconut Whisper Spa is an oasis of tranquility among the coconut palms. Relax, rejuvenate, and recharge with a menu of rituals including massages, facials, body wraps, and our signature rain massage. At the end of a treatment, guests enjoy fresh, cold coconut water served directly from the coconut itself to help rehydrate and replenish the body.

For a more rustic experience, visit the Beach Spa. Built with local materials to avoid disrupting the natural environment. The golden sand serves as the spa floor, and linen curtains allow the ocean breeze to fill the pavilion, creating a calm and relaxing atmosphere.

SAVOR Choose one of our restaurants, the Bistro, where we offer a more sophisticated gourmet menu, or La Palapa, located next to the beach, with a fresh, simple, yet elegant menu. Our chef focuses on sophisticated and innovative cuisine based on local and seasonal ingredients. He uses fresh produce, much of it from his own garden, and freshly caught seafood to create a farm-to-table experience that promotes sustainability and a positive impact on the community.

SERVICES In-room services offered are 24-hour reception and concierge service, in-room spa service upon request, daily housekeeping, laundry service, nightly turndown, room service, in-room breakfast, and cooking classes.

POOL Two large main pools are connected by two water channels with smaller individual pools and daybeds for lounging. One pool is exclusively for adults, and the other is perfect for families.

CHILDREN Children of all ages are allowed.

PLAY The Samaná Peninsula, regarded as the prettiest part of the island of Hispaniola, offers guests a tropical paradise that still remains unspoiled and where the magic of discovery awaits. Coconut-covered mountains that stretch down to the pristine sandy beaches, clear water teeming with coral reefs and tropical fish, and awe-inspiring waterfalls descending the lush mountainside define the region and leave much to explore. Whether you are looking to go snorkeling, hiking through virgin verdant terrain, or watching the incredible humpback whales frolicking just off the coast, the Samaná Peninsula is a destination for all nature lovers and adventurers as well as couples looking for a romantic escape to paradise.
