The restaurant is connected to *Bistro's Bar and Lounge* where guests can enjoy a refreshing cocktail or glass of wine before or after meals.

Open daily for breakfast and dinner, the wood-paneled ceiling and whitewashed interior of *Bistro* is perfectly complemented by large windows and a beautiful terrace allowing a casual, yet elegant feel. The Terrace is perfect for families or groups of friends who are looking to dine together. The indoor area, our *Bistro Privé*, is reserved for adults only and has a maximum of 4 people per table: creating a more intimate and exclusive ambiance.

Bistro also offers semi-private dinners in its Wine Cellar area where couples or groups up to 6 people can enjoy a wonderful time together.

La Palapa is a more casual, beachy-feel where guests can enjoy lunch and even a refreshing cocktail at the property's open-air beachside restaurant. Maximize your experience in the mesmerizing tropical haven by eating breakfast or lunch beachside.

For guests looking to cool off and grab a snack and drink without having to leave the comforts of the sand, the beach service offers a simpler but flavorful all-day. Enjoy a "coco frío," a local favorite or any of the tropical concoctions for a perfect day under the sun.

The spa sanctuary also has a brick and wood *Temazcal* (sweat lodge) where full treatments are sometimes provided. Before or after a treatment relax in the plunge pool
